SPIELS

- FOR IMPROVED PORTIONS**

Guest: Oh! Portion seems less now.

Staff: "Adjustments were made so you can still enjoy our dishes alone or in a group".

If guest will ask deeper on why it was lessened;

"We've tweaked the recipe and this was the best ratio that does not sacrifice taste or quality."

- FOR NEW MENU ITEMS**

Guest: What is GAI LAN WITH GARLIC?

Staff: "It's a wok-fried chinese broccoli with light sauce and fresh herbs."

Guest: What is BAHN XEO?

Staff: "It is a savory crispy version of a crepe. Good for sharing and to begin your meal with."

Note: Best way to eat with bare hands; wrap a slice of crepe with lettuce and veggies, then dip into the sauce provided.

PHT OPERATIONS: Include this memo in your briefing and cascade accordingly. Perform mock up service. Let me know if you have any clarifications.
